12.30 - 13.30 Uhr	Panel Discussion “ What are commonalities and difference in European youth work” (for more details see below)
13.30 - 15.00 Uhr	Lunch & Networking

Interactive Round Tables

You will have the opportunity to familiarise yourself with the various project results and put them into practice. The project results serve as a basis for critically discussing questions of youth work and participation. Discuss with us possible further developments and viable concepts for the future.

- 1) **YES-SI Social Innovation Education** - Brief introduction of the theoretical basis and activities
- 2) **YES-SI Learning and Training** - How do I communicate knowledge in an accessible and engaging way?
- 3) **YES-SI Stories of Impact and Inspiration** - What motivates young people to become actively involved in society?
- 4) **YES-SI Co-creation Labs** - What do young people need to put their engagement into practice?
- 5) **Yes-SI Changemaker Game** - Practical experimentation with the app

Panel Discussion - guest speakers

- **Tarren-Leigh Agnewskalska (SEI, Ireland)**

She is a trainer, facilitator and consultant with experience in the development and implementation of educational programmes. She has a Bachelor's degree in Psychology and a Postgraduate Diploma in Design Thinking and Innovation for Sustainability. She works with schools and teachers to develop social and climate change initiatives.

- **Emmanouela (Emma) Avtzi (Stimmuli, Greece)**

is an educator and project manager at Stimmuli for Social Change. She holds a Master's degree in Human Rights and Migration Studies from the University of Macedonia. She currently focuses on the development and implementation of innovative social programmes with a focus on social innovation in the fields of education, youth empowerment, digitalisation, and integration of marginalised groups into society

- **Fenia Kalantzi (Innovation Hive, Greece)**

holds a BA in economics from the department of Economics, University of Thessaly, oriented in Business administration. She works as a project manager in Innovation Hive, where she applies the knowledge and skills gained through her academic studies and prior long working experience as project manager of numerous projects under the European framework, mainly under the thematic of social entrepreneurship, gamification, empowerment of disadvantaged groups.

More guests to be announced soon.
